

Home-School Agreement – Remote Learning

January 2021

Our approach to teaching during this time is to:

- Continue to teach the National Curriculum through daily online lessons.
- Provide support for mental and physical wellbeing.
- Provide lessons which match the curriculum which is being taught in school.

Our school will:

- Endeavour to support you with any technical difficulties you are experiencing.
- Respond to any concerns you may have in a timely manner, within school hours.

I, as a parent/carer will:

- Encourage my child to engage with remote learning daily in order to scaffold their routine, care and support.
- Let the school know if my child has any technical issues with accessing online learning.
- Let the school know if my child is ill.
- Monitor the use of their devices for access of other online materials and apps.
- Ensure that appropriate parental control settings are active on devices which are being used for home learning.
- Report any safeguarding concerns to the school immediately.
- Ensure that any queries I have regarding my child's academic tasks are directed to the class teacher within school hours via email and not on the Team posts.

During live Teams sessions I will:

- Make sure my child's microphone remains on mute unless the teacher asks for them to unmute during live Teams sessions.
- Not record the sessions.
- Encourage my child to use the 'raise your hand' to participate in the live Teams session.
- Be aware of what is happening in the background.
- Ensure that my child is dressed appropriately.
- Ensure that other family members are not visible.
- Support the teacher by not joining in with the live Teams session.

I, as a Pupil of Westende Junior School will:

- Keep my microphone muted during a live Teams session.
- Not record any of the live video sessions.
- I will always be polite and respectful when using Teams.
- Ensure that my comments in the post are polite and kind.
