

Dear Parents/Carers

From today, we will be locking the school gates at 3.30pm to ensure security on the site whilst after-school clubs are taking place.

If your child is attending an outdoor club, please collect them from the main playground gate. Please note that there will be no access into school via the small Y3 gate.

If your child attends an indoor club (art, table tennis etc.) please collect them from the hall door by the canopy.

Kind regards
