LAUNCHING OUR NEW SCHOOL UNIFORM

We are excited to announce the launch of the new Westende Junior School uniform.

We have listened to your feedback and have simplified our uniform policy to ensure it is accessible, affordable and comfortable for our children to wear with pride all year long.

From September 2023, our school uniform will comprise:

- Navy v-neck jumper or cardigan
- Pale blue polo shirt
- Grey trousers, shorts, skirt or pinafore
- Black or grey plain socks or tights
- Blue/white check summer dress
- Pale blue PE t-shirt
- Navy PE shorts (not cycling shorts)
- Navy crew-neck sweatshirt
- Navy jogging trousers

We have selected Marks & Spencer as our supplier of choice, who will be offering our uniform with and without our school logo embroidery.

Parents are not obliged to purchase from M&S. Plain items may be purchased from another supplier in matching colours. All uniform must be plain or embroidered with our school logo. No markings or other logos please.

INFORMATION FOR CURRENT PUPILS

Current Westende pupils can continue to wear their royal blue polo shirt and navy PE t-shirt in September.

There will be a transition period as we switch from the current uniform to our new uniform. Parents are not expected to purchase any new items until they are needed or wanted.

When existing items need replacing, parents will be required to purchase the new uniform colours.

Shirts and ties should no longer be worn from September.

Any non-branded uniform (including ties) can be donated to First Days: www.firstdays.net/donate

INFORMATION FOR NEW PUPILS

Welcome to Westende! New pupils should wear our new uniform from their first day at Westende. This can be ordered from M&S with or without our school logo, or you are welcome to purchase matching items from a different supplier.

We currently have some stock of navy jumpers, cardigans and sleeveless jumpers in school and our Parents' Association has a stock of second hand uniform items. Please contact us if you would like to place an order.

SUMMER & WINTER UNIFORM

We will no longer have separate summer & winter uniforms, with the exception of the blue and white check summer dress, which can only be worn in the summer term with white ankle socks.
