

11th December 2023

Dear Parents/Carers

Outdoor Learning

From the new term, every class will begin to have outdoor learning sessions. These will last approximately two hours and the children will be outside the entire time, regardless of the weather.

With this in mind, please would you ensure your child is well equipped for their session, with weather appropriate clothing.

During the colder months, it is recommended that children wear thermal layers under their uniform; warm, waterproof coats; waterproof trousers; wellies with a decent pair of thick socks; hats and gloves. Many of these items can be found in charity shops and from websites, such as Ebay or Vinted.

As it warms up, obviously the layers will need to change but starting and staying warm is key to a fun, productive session.

The rota for next term is as follows:

Week Commencing:

8th January – Year 3
15th January – Year 4
22nd January – Year 5
29th January – Year 6
5th February – Year 3
26th February – Year 4
4th March – Year 5
11th March - Year 6
18th March – Year 3

Many thanks for your support with this exciting new opportunity.

Kind regards
Mrs Donaldson
